

Good evening Family,

It is with great joy that I announce that we have not only met our goal of \$25,000 for the second consecutive month, but have exceeded it again. This month at first glance we have collected \$28,160. I will verify after all of the transactions have been entered into the system. The Lord is good and worthy to be praised and I want to thank each of you that contributed to enable us to accomplish this. There have been some that have contributed by Zelle and Cash App that are family and friends of our members. If you know who any of them are, please inform them that if they will need a receipt at year end for tax purposes, that I will need their contact information. Zelle and Cash App only provide their name and amount.

What a joy it is that we are two-thirds toward our goal to move forward towards obtaining the loan for our church building project. GOD is so good and I thank Him for the church members, attendees, guests, family and friends that sacrificed to help us get this far. Take a breath, celebrate this accomplishment and let's move forward to the next goal.

We are a miraculous team when we unite with GOD to do His will. Let's keep up the good work and give GOD the praise that He deserves. It is only in His strength and by His provisions that we are able to do these things. GOD is going to do wonderful things in this community if we continue to trust Him and obey His commands. The best is yet to come! Again we want to thank you all for your sacrificial giving.

GOD bless,

Darrel Sumpter
WSDA Church Treasurer
